Our student-athletes have made big accomplishments in recent years, not only on the playing field, but also in the classroom and around the community. This success is not by accident. It has been accomplished through hard work, preparation, and support from donors like you. As a Mountaineer fan, there is a lot to be proud of in the way our student-athletes represent themselves, the University and our great state.

Whether you are a long-time supporter or a first-time donor, your participation in the Mountaineer Athletic Club (MAC) is vital to the success of our student-athletes. Every dollar donated in your partnership with the MAC helps us face the ever-growing challenge of providing resources for our 595 deserving student-athletes. Each day these student-athletes work diligently to achieve academic and athletic success. Simply put, your relationship with the MAC is critical to ensure WVU Athletics can provide the necessary resources that enable our student-athletes, coaches and staff to succeed in the Big 12 and at the national level.

Athletic Coaching Education
The Mountaineer Athletic Club (MAC) is the fundraising arm for the West Virginia University Department of Intercollegiate Athletics. The WVU Department of Intercollegiate Athletics pays 100% of the scholarships awarded to more than 500 student-athletes in 18 varsity sports from generous contributions made by 6,000+ MAC Members. MAC fundraising efforts also support capital projects required to build and maintain first-class athletic facilities. In addition, donors also provide support to a variety of programs, which enhance the overall experience of WVU student-athletes. Your individual and corporate contributions help Advance Scholarship and Build Champions.

WHY WE NEED YOUR HELP
Athletics is a window through which the University is often viewed, with its accomplishments serving as a tremendous recruiting tool and a catalyst for philanthropy to all areas of WVU. Essential private support enables the Department of Intercollegiate Athletics to recruit and train elite student-athletes in first-class facilities, fund scholarships, and compete on a level playing field with peer institutions. Financial stability in athletics ultimately breeds success, and success breeds pride amongst many WVU alumni and friends.

NEED FOR GROWTH
The cost of competing at the highest level and providing a first-class education for outstanding student-athletes continues to climb. The Mountaineer Athletic Club must grow its membership and level of support in order to keep WVU as one of the nation’s premier athletic programs.

Membership in the MAC is recognized by unrestricted annual gifts that are made between December 1 - November 30. You can contribute at any level, but a minimum gift of $100 is required to activate your annual MAC membership and receive benefits including, but not limited to Priority Points. All MAC members have until May 15 to complete payment towards your annual giving level, excluding monthly giving, while enjoying the full benefits of membership throughout the year.

As a member of the MAC, you are a vital component to the success of WVU student-athletes in the classroom and on the field of play. Your membership provides WVU student-athletes with the opportunity to proudly say, “I'm a Mountaineer.”

ANNUAL FUND
Gifts to the Annual Fund help WVU Athletics achieve its goal of Advancing Scholarship and Building Champions, by providing the necessary resources for student-athlete scholarships, academic support, training and nutrition, facility enhancements, travel assistance, recruiting, equipment upgrades, and other essential budget relieving expenses. Unrestricted Annual Fund gifts qualify for both football and men’s basketball priority seating and parking benefits.

SPORT-SPECIFIC GIVING
Sport-specific giving allows Mountaineer Athletic Club members to make gifts that are designated to a particular program(s) of their choice. This method of contribution assures that your gift is used to directly fund the sport of your choosing and cover identified needs specific to the program. Sport-specific contributions are above and beyond your annual fund/season ticket priority gift and do not count towards your annual giving level.

Contributions to individual sports accelerate each sport’s pursuit of winning championships as well as give our student-athletes a leg up in the classroom. Through sport-specific gifts, donors can ensure that the true intent of their gift is being realized by student-athletes in the sport(s) of their choice.

The MAC will engrave your message on a 4” x 8” brick, which will become a permanent part of the WVU landscape for only $150 per brick.

All Brick Campaign gifts are awarded two (2) Priority Points for every $100 received in the current giving year. All Brick Campaign gifts are 100% tax deductible. They are processed and receipted by the WVU Foundation. Brick Campaign gifts do not count towards Mountaineer Athletic Club annual giving levels.

WHEELS CLUB
More than 50 car dealers support the WVU Department of Intercollegiate Athletics through their participation in the Wheels Club. MAJOR GIFTS
Private support is essential to the overall success of the WVU Department of Intercollegiate Athletics. As a self-supporting athletic program, the need for financial support becomes imperative for WVU to compete for championships at the conference and national level. Major Gifts are gifts of $25,000 or more paid over a 5-year period. Current major giving opportunities exist in scholarship endowments, facility enhancements and program enrichment.

ENDOWMENT
The primary goal of the Athletic Endowment Program is to fully fund all 350 athletic scholarships through the ongoing establishment of Athletic Endowments. To fully fund all 350 scholarships each year, the principal balance of the Athletic Endowment Fund would need to be $225 million. Each contribution to a current and/or newly created endowment brings WVU Athletics that much closer to fully funding all 350 scholarships, further enabling WVU Athletics to utilize unrestricted dollars generated by the Annual Fund/Season Ticket Priority Program for other essential needs across all varsity sports.

By supporting any of the opportunities in the Athletic Endowment Program, you will play a vital role in WVU Athletics’ commitment to its current and future student-athletes’ academic achievement, competitive success and personal growth. Your generous support will be a major contribution to the continuing improvement of WVU Athletics, forever.

PLANNED GIVING - JERRY WEST SOCIETY
Membership in the Jerry West Society is exclusively offered to those who make commitments of support to the Mountaineer Athletic Club in the form of planned gifts. The following are a variety of ways in which to join the Jerry West Society and impact the future of WVU Athletics by creating a lasting legacy today:
• Gift Provision in a Will or Revocable Trust
• Income-Producing Gift
• Charitable Lead Trust
• Testamentary Gift of Retirement Assets
• Life Insurance or Annuity Policy
• Property/Real Estate

Jerry West Society members receive fifteen (15) points (one-time) for a planned gift that names the WVU Department of Intercollegiate Athletics as the beneficiary.

CAPITAL PROJECTS
Capital campaigns are designed to provide our student-athletes with the best facilities and performance equipment needed to train and compete in the Big 12 Conference. These projects raise the standard for WVU Athletics and give our coaches and staff the best opportunity to maximize the abilities of our student-athletes. These projects are the cornerstone for recruiting top tier student-athletes by showcasing the best of what West Virginia can offer, and showcasing our commitment to the success of WVU Athletics.

MONTHLY GIVING
The MAC’s monthly contribution deduction program is an easy, and efficient way to make your contribution. MATCHING GIFTS
Many companies and corporations provide matching gift programs for employee contributions. Ask about your employer’s matching gift policy to see how you can make your gift work twice as hard for the Mountaineers! Return the matching gift form provided by your company with your contribution to the MAC to increase your gift and benefits level.

If you plan on using your company’s corporate matching gift toward your minimum required donation for priority seating, the matching gift must be received by June 30 each year. Many matching gifts require a significant period of time for processing, so please plan the timing of your gift accordingly. It is the responsibility of the donor to ensure the matching gift is received by the deadline. Gifts received after the deadline will not be applicable toward your current annual giving level. Donors will receive benefits based on the dollar amount that is received, and are personally responsible for making up any necessary difference.

FREQUENTLY ASKED QUESTIONS

What is the Mountaineer Athletic Club?
The Mountaineer Athletic Club (MAC) is the primary fundraising arm of WVU Athletics. The Mountaineer Athletic Club’s mission is to provide annual scholarships for West Virginia University student-athletes and to develop private support for capital projects, endowments and other needs as prioritized by the Department of Intercollegiate Athletics.

How do I become a member of the Mountaineer Athletic Club?
You can become a member of the Mountaineer Athletic Club by donating a minimum of $100 to the Mountaineer Athletic Club. There are a variety of ways to join/support the Mountaineer Athletic Club. Please see our Opportunities for Involvement on page 4.

Why should I donate to the Mountaineer Athletic Club?
Private support is essential to the success of WVU’s intercollegiate athletic program. The WVU Department of Intercollegiate Athletics receives no financial assistance from the state of West Virginia. It is a self-funded entity, solely dependent upon athletic event revenue and fundraising to operate and provide student-athlete scholarships. The Mountaineer Athletic Club provides a way for individuals to help talented young people receive a quality education from West Virginia University while ensuring WVU’s tradition of athletic excellence continues to grow.

What benefits do I receive for becoming member of the Mountaineer Athletic Club?
Mountaineer Athletic Club members receive a variety of membership benefits which include, but are not limited to, a MAC auto decal, invitations to MAC functions and priority seating options for football and men’s basketball and Priority Points. For a complete breakdown of benefits and corresponding donation levels, please refer to the MAC Benefits Chart on page 6. Benefits reflect a donor’s total contribution tabulated from December 1 through November 30 annually.

Is my donation tax deductible?
If your contribution includes an option to purchase tickets, 80% of your donation is tax deductible. For 100% tax deductibility of your annual gift, you must decline your rights to receive benefits at the time you make your gift. Major gifts or contributions not associated with ticket priority are 100% tax deductible. Only the individual or company making the gift is eligible to receive the tax deduction. Mountaineer Athletic Club donors will receive a receipt for tax purposes from the WVU Foundation. Please refer to the Tax Information to the right.

My company has a matching gift program. What do I need to do to make sure their matching gift is applied to my annual donation?
Matching gifts are a great way to increase your annual fund contribution. Contact the Mountaineer Athletic Club and we will assist you in your matching gift request. You can also use the WVU Foundation’s Matching Gift Search Engine to see if your employer sponsors a matching gift by visiting www.MountaineerAthleticClub.com. MAC members must have their gift matched by June 30.

How do I change the address/contact information on my account?
Please note any changes on order and request forms returned to the Mountaineer Ticket Office. You may also send a written request via email, fax or mail to change your contact information. Please be sure to include your account number and your previous contact information.

What is the best way to increase my Priority Point Standing?
Increasing your annual giving level and season ticket purchases are great ways to increase your Priority Point standing.
